

# VCC TEAM LEAGUE

On February 22, the captains met to form teams. The captains systematically drew names for their B and C players. There are 10 teams composed of one "A" who is the captain, two "B's", and 4 "C's". Play will be a Swiss Team format (MPs awarded) the first Friday of each month at 1:00 pm beginning Friday, March 4, 2011 (with April being an exception because of the Sectional). Only four team members will play on each play day. If a sub is needed, please use the sub list for a replacement or other members of your team.

The rotation schedule to be followed by each team is:

AB/CC vs AB/CC -- First 2 game days

AC/BC vs AC/BC -- Next 4 game days

Each month teams will play 4 rounds of 6 boards. Win/loss records will be kept within the VCC and posted on the web and the Bulletin Board. There will be an overall winning team at the completion of the series. Bragging rights will be the winning Team's prize.

**HAVE FUN.**
